the crowd from the tables that were leaded the crowd from the tables that were leaded to be opened at a signal given by the Chief of the Police, by means of a red flag, two hours after the arrivaled the Emperer and the Court. The Chief of the Police wishing to make a proliminary trial, to be sure that everything was in order, gave the signal at 11. The crowd, which had been pressing against the barriers since five in the morning rushed to the tables, and no human force could keep them back. They fell upon the dishes and the brandy and wines—the fountains that were to distribute the liquids were upset, as well as the tables—the reaffoldings which held all kinds of provisions, gave way under the liquids were upset, as well as the tables—the reaffoldings which held all kinds of provisions, gave way under the liquids were upset, as well as the tables—the reaffoldings which held all kinds of provisions, gave way under the liquids were upset.

beld all kinds of provisions, gave way one defined the presure, and a great number of individuals were crushed beneath the ruins.

Many were killed, still more wounded, besides numbers being sufficiently in the foundation numbers being sufficiently in the Many were killed, still more wounded, besides numbers being suffocated in the process. The Police and Military not being able to recentalish order, sent for the Fire Engines to disperse the multitude. More than ten wagons were used to carry away in the dead, or transport the wounded to the bospitals. When the Emperor arrived, about two, and lasheld the sad spectacle, he was very much affected, as well as 'tritated, and gave-orders for a rigid inquest upon the causes of this catastrophe.
